

Message Settings

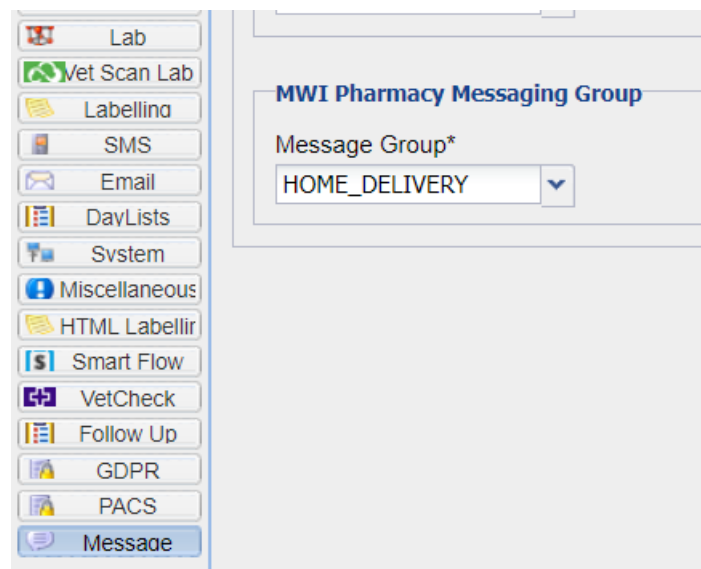

24/10/2024 12:27 pm BST

Summary

Message Settings can be accessed via: Administration > Settings and selecting the 'Message' category.

This page documents each setting.

Details

MWI Pharmacy Messaging

This is to assign the messaging group who will receive notification of rejection prescriptions via the [Home Delivery](#) module.

Note: To create a new messaging group, see: '[Internal Message Administration](#)'.
